

**Wisconsin Balloon Group will host the Liberty Balloon Ground School  
April 1-2, 2017.**

**Students for the class should register ASAP by going to the Liberty Balloon School web site. [www.libertyballoonschool.com](http://www.libertyballoonschool.com)**

**NOTE:** Click on the "class registration" tab on the left side of their web page. Complete the on-line form to register.

**The Class Details include:**

*Instructor: Bill Hughes, Liberty Balloon School*

*Date: Sat/Sun April 1-2 , From 7AM-5PM each day*

*Location/Host: Pete Asp, Balloons Unlimited (repair station building), W1341 Hwy B, Sullivan WI 53518 (Along I-94 between MKE & Madison)*

*Course: Bill teaches for Private Pilot HAB exam. For those wanting to do commercial rating, they go on-line to do the additional portion for CHAB.*

*Cost: New student \$395 each Alumni \$50 each (You can return to any future Liberty Balloon School session, for a refresher, for the Alumni fee).*

*At end of class, Bill gives a recommendation to take to the testing center to sit for written test. \*\**

=====

**\*\* NOTE:** I checked locally & West Bend Air Service, the FBO in West Bend WI, proctors the written test. They need a couple of days' notice. Testing done Mon-Fri, regular business hours. Cost \$165.00 per test.

=====

Feel free to share this email with other interested students and alumni. Any questions, let us know.
